HOW COULD WE EMPOWER DISADVANTAGED NEIGHBORHOODS  
BY MOBILIZING LOCAL CHARACTERS INTO CHANGE?

Creating a joint steering committee to jump-start the process: public housing residents, student programs and local partners.

Posing a question regarding the neighborhoods' life & inviting the local community to take part.

World café event; identifying the current local need & proposing ideas for an intervention.

Participatory Place Making intervention led by the community. Nurturing a culture of community and local partnership.
